

The Dimmer View

by MAX GOODWIN

We are happy to report that the laws which guard your "right to know" have been tightened.

Thanks to State Assemblyman Ralph M. Brown, an attorney of Stanislaus County, a loophole in the Brown Act regulating public meetings has been plugged.

The Brown Act denies a public agency to hold a meeting without giving due notice to news media requesting such notification. Agencies are allowed, however, to hold "closed" meetings regarding personnel matters. These are called "executive sessions."

Some agencies, playing it cool, hold executive sessions to discuss personnel matters but also discuss other items. This got around the notification of news media requirement. The reason this is done is to avoid being questioned. But Assemblyman Brown fixed that! He drafted a Bill which still permits "executive sessions" but he says they should be held in conjunction with another meeting for which proper notice has been given or they should not be held at all!

No "executive session" should be allowed to be called as a meeting itself, he said.

Last week the change he recommended was made into law. In its final form it added just six words to the Statute, but they are six powerful words for the forces of freedom of knowledge. The Act now reads (Brown's amendment in capital letters), "Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency from holding executive sessions DURING A REGULAR OR SPECIAL MEETING to consider the appointment, employment . . ."

It says, simply, that a closed meeting must be tied to a publicized meeting and that the agency cannot meet secretly a couple of hours before or after the regular meeting at which time the opportunity and temptation to discuss other matters would be invited.

Social Security and medical science has combined to give us the largest financially-independent class of active citizens over 60 years of age in world history.

Moving gramps and grandma in with the kids after the old folks have reached the age of rest and retirement is not a popular philosophy among our elders . . . and the Federal Housing Administration is siding with the old folks.

People 60 years of age and over no longer find age a drawback when buying a home with a long term mortgage. FHA Section 203 provides FHA-insured mortgages if either spouse is in the 60-or-over bracket. Because FHA assistance makes it possible for old people to buy homes, more builders are becoming interested in constructing the kind of housing these people need.

In Michigan, a builder specializes only in homes for retired couples. The homes are designed with emphasis on safety and convenience.

For example: The houses are void of steps and stairs hazards. Kitchen cabinets are built low enough to make reaching, stretching or standing on objects unnecessary. Cabinets and closets are built with sliding doors so that oldsters cannot bump into doors that open out. Tiled seats adjoining bathtubs serve as a safety aid for entering the tub and as a desirable convenience for dressing.

These items are not expensive and should not add to the cost of an older-designed home. Conversely, these items are desirable among the younger groups, too.

The Lemon Grove Sorority Club is already embarked upon a study project for providing more homes for elderly persons . . . a project that should serve as a pilot for other service clubs interested in such projects.

We heartily recommend to anyone planning to build a home that they incorporate some of the above features in them. It will not only make the place more livable but it will be more saleable, too.

We agree with Ohio's Rep. Frank T. Bow who the U.S. Press Association reports as having said of the \$4.4 billion Murray-Matcalf bill for Federal aid to education: "Whether one favors Federal aid to education or not, it seems to me that the pending measure falls far short of accomplishing any purpose other than the general distribution of funds we do not have."

For instance, this bill proposes to give \$25 in money out of the

District May Have to Borrow Water

CIRCUS THRILLS — A circus smack dab in the middle of Lemon Grove was the enthralling promise made to local youngsters by Lemon Grove business firms this week. A two-ring circus, surrounded by thrilling carnival-type rides and attractions, will be held July 16 through 18 when the Merchants' Division of the Lemon Grove Chamber of Commerce brings the Ross Kabat Circus to town. Local business firms will distribute tickets which will make the cost of rides negligible. The circus, to be held three times each day, is free.

A feature of the circus is Margie, the smallest and youngest performing elephant in the United States. Margie is two years old and weighs 500 pounds and has mastered a repertoire of a dozen tricks. Tickets will be available at most Lemon Grove business firms starting July 9. Firms not possessing tickets should contact the Lemon Grove Chamber of Commerce for a supply. There is no limit to the number of tickets each person may use.

Water Use Up 47 Per Cent

Helix Irrigation District may have to "borrow" water from the City of San Diego or from some water districts in the northern part of the county unless "substantial" rains fall next winter, a District official said this week.

Clarence Watters, chief engineer for the District, said that the present supply of 9,000 acre feet of water is expected to dwindle to 1,200 acre feet by the end of the year.

"It's not a critical situation," he said, "but unless there are substantial rains early in the year, we will have to apply to the County Water Authority for help."

"There's enough water in the county for everybody," Watters said, "but some of it is in the wrong places. We may have to ask the City of San Diego to give up some of its preferential right to water in the San Diego Aqueduct."

He added that the Second San Diego Aqueduct will be completed far enough into the county by next spring so that it can serve some areas in the northern part of the county. This would, he said, release enough water in the present pipe line to help relieve the "nearly critical" water shortage in the southern part of the county.

District directors on Tuesday heard a staff report which said that water consumption for the area served by the District is almost 47 per cent higher for the first half of this year than it was in the first six months of 1958.

During the past week, the rate of consumption was up 39 per cent.

District records show that normal population growth and development could account for a 5 per cent increase in consumption.

This year, however, district officials said, the lack of rainfall resulted in people doing a lot more "irrigating," both of fruit tree groves and of lawns and gardens.

Two additional factors noted by District officials were: population growth and construction have increased at a greater rate than in previous years; and a "Don't Waste Water" campaign was discontinued more than a year ago, "making the public less water conscious."

District directors expect the rate of water consumption to level off to normal during the summer months—when water use always is high.

County Legal Advertising Hits Snag

SAN DIEGO (CNS) — The county's legal advertising for the coming fiscal year was only half-settled at Tuesday's meeting of the County Board of Supervisors.

The Oceanside Daily Blade-Tribune won the contract for publishing the minutes of the Supervisors' meetings. This was done in the 1958-59 fiscal year by the El Cajon Valley News.

Contracts for advertising in North County areas were also awarded, but action was withheld on what Purchasing Agent Verne O. Gehring called the San Diego "metropolitan area." This includes El Cajon, La Mesa, Chula Vista, National City, Imperial Beach, Coronado and San Diego itself.

No contracts were let for the metropolitan area except for Spring Valley and Lemon Grove because of a suit to determine the legal status of the bid that gave publication of the county's delinquent tax list for the incorporated communities in the area to the San Diego Independent. Western Newspapers, Inc., publishers of the El Cajon Valley News, have filed suit to prevent payment to the Independent. In addition, damages are being sought. However, contracts were awarded the Lemon Grove Review and the Spring Valley Bulletin.

The placing of advertising in the San Diego area eventually may be decided by declaring certain newspapers to be the county's legal newspapers. Supervisor David W. Bird Tuesday asked if the county could legally do this, and Deputy County Counsel Bertram McLees, Jr. said he would have to make a study of case law.

Designation of some newspapers as "legal newspapers" was recently asked of Supervisors by W. Ray Coyle, publisher of the Chula Vista Star-News, the National City Star-News and the Bay Cities Press. He asked this designation for the first two named of his newspapers and the following others: Coronado Journal, Lemon Grove Review, Spring Valley Bulletin, La Mesa Scout and El Cajon Valley News.

Coyle also said that the San Diego Union-Tribune wanted to be designated as one of the group, if Supervisors decide to give papers this label.

'Hags and Bags' Plan July 4th Ball Game

The women giggled and the men shrugged their shoulders, but parents of youngsters in the Spring Valley-Lemon Grove Pony League agreed this week to play a "benefit" baseball game on Independence Day.

Twenty-one mothers signed up on two teams, which they named the "Hags" and the "Bags." They decided that the men should be managers and coaches, so they picked the men and gave them women's names in keeping with the general "screwball" approach to the game.

O. F. "Hortense" Keith was named manager of the Hags, with Keith "Carlotta" James Sr. as coach. Del "Samantha" Ballinger (who is trying to keep the thing quiet, especially around the Padres' camp where he used to be a catcher) will manage the Bags. Ivan "Alvina" Darnell will coach. The game will be played on the Mt. Miguel High School varsity field at noon on July 4.

A regular Pony League double header will pit the Greenwood Memorial Park team against the Lemon Grove Sporting Goods nine and the Valley Pharmacy boys against the Lemon Grove Optimists' team.

And profits from voluntary donations, according to Gerrie Papike, one of the "players," will go to help the boys in the Pony League.

Gerrie Papike, Rose Mitchell, Fran Mortimeyer and Evelyn Looney scold Peggy Armbrust for being "out of uniform" for baseball practice, which means she turned up in a conventional outfit.

PTA Sponsors Swim Plan for Kiddies

The Casa de Oro PTA will sponsor a backyard swim program this summer, Mrs. Richard Wilson of the PTA said this week.

The program, she said, is primarily to teach water safety to non-swimmers. She said also that the PTA is "proud" of the spirit of pool owners and instructors who have donated their pools and their time to the program. There are seven pools available, she said, and five instructors will teach 170 children in 21 classes.

Those who have offered the use of their pools, Mrs. Wilson said, are Mr. and Mrs. Harold Cole, Mr. and Mrs. Paul Mitchell, Mr. and Mrs. Franklin Hobusch, Mr. and Mrs. H. B. Miller, Mr. and Mrs. Sidney Keat and Mr.

and Mrs. John Montijo.

The instructors are Mrs. Edward Gurling, Mrs. Howard Hesch, Mrs. Carl Mustol, Mrs. W. H. Yearwood, Mrs. John Colton and Mrs. Fred Poirier.

Boy Scouts and Girl Scouts will assist the instructors.

Mrs. Wilson said that there is still room available in the class. Her phone number is HO 9-4201.

Zone Change Requests Meet Varied Reception

SAN DIEGO (CNS) — The County Planning Commission Friday considered three applications for variances from the zoning ordinance, received from property owners in the Lemon Grove area.

One was granted, one turned

down and action was postponed on the third.

The commission denied the request of John E. Curry for permission to build a duplex 35 feet instead of 50 from the center line of Central Avenue and 30 feet instead of 35 from the center line of Saddle Drive.

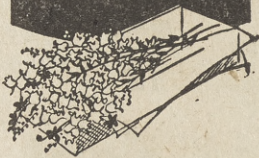

The commission committee that studied the site said a dangerous driveway would be created by Curry's proposed building. A single family dwelling would be safer, the committee report stated. The area is zoned for duplexes.

The application approved was that of Alex Antonette, who asked for permission to have his eave line 45 feet and four inches from the center line of Buena Vista Street, instead of 50 feet. He was also given permission to put steps seven feet from the side of his property, instead of the required ten.

Albert U. White's hearing, on a request for a five-foot fence and front and side yard reductions was postponed at White's request. He told the commission he would rather be heard later, to "give me more time with my plans."

Merchants Division Reorganized With Hegarty As President

The Lemon Grove Boosters Club was reorganized Tuesday morning under the full auspices of the Chamber of Commerce, and Jim Hegarty, advertising manager of the LEMON GROVE REVIEW, was named president. It was also decided to change the name to the Merchants Division of the chamber.

The meeting followed by two weeks a retail clinic sponsored by the chamber based on answers given to a questionnaire distributed to all local business firms.

Earl Nelson, past president of the Boosters, was transferred earlier this month to La Jolla by the firm for which he works, leaving the vacancy to be filled.

The reorganization brought the Merchants Division directly under commerce for the first time since its inception several years ago. At the time the group was formed the chamber had no paid employees to assist the merchants' group. The chamber now has two paid employees.

Elected with Hegarty were Marshall Adams, vice president; Barbara Howell, secretary-treasurer, and Jim Spears, Johnny Hatz, Bob Vaught, Jerry Mather, Dee Brumley, Chuck Buckles and Milt Austin, members of the seven-man board of directors.

The group immediately began promotion of a circus to be presented in Lemon Grove July 16 through 19.

Jr. High Athletes Honored at Assembly

Outstanding athletes received letters for their physical education feats at a special assembly program at Lemon Grove Junior High the last week of school. Presented by Ben Sells, boys' P. E. instructor, the letters carried out the school's colors, green and gold. Letters were awarded on athletic ability and sportmanship.

Eighth grade boys receiving the special recognition included Richard Fenning, Bob Lochhead, and Bob Westover, 8-1; Antonia Garcia and Ronald Maxted, 8-2; Mike Alexander and Martin Koenekamp, 8-3; William Kelly, John Lester, and Terry Luitjens, 8-4; Donald Duncan, Tom Langpap, and Mike Scott, 8-5; Keith

James, Larry McCollister, William Oaks, and Lance Witt, 8-6; Peter Selvig, 8-7; and William Davis, Mike Blaylock, Larry Rickel, Gary Thompson, and Kenneth Van Dyke, 8-8.

In the seventh grade the following young athletes received letters: Stephen Bellwood, 7-1; Luther Clark, Fred Michales, Ed Pedergrass, and Gary Sandor, 7-2; Stuart Levenson, Donald Luscomb, and Ronald Thomas, 7-3; Jon Jackson, 7-4; and Randy Barry, Howard Estes, and David Schroeder, 7-5.

Also Billy Kellison and Richard Tufeland, 7-6; Bobby Taylor, 7-7; Robert Brown, Chris Heiserman and Richard Schweitzer, 7-8; James Arsenault, Kenneth LaDam, and Ronnie Lidia, 7-9; James Stevens, 7-10; and Howard Byrne, David Lehton, and Tom Van Benthuyzen, 7-11.

Brown Spider Spins A Web at Eventide

By Don Wilson

We flipped the switch which turns on the light up at the corner of the eave where it can shine down into the back yard, and we pulled back the curtain to look out the window.

Yes, she was there again. "She," for we have never called her anything else, is a spider, big, brown, sort of fuzzy-legged with a black triangle on her underside. Every evening, just as the lengthening shadows engulf the house, "She" starts spinning a web—always in the same spot just half a foot away from the big living room window.

And every morning when we look, the web is gone, completely as though someone had swept the corner of the house with a broom.

It was a few weeks ago when we first discovered her spinning a web there in the window. It was a marvelous web, spreading a couple of feet across and tied to long, slender strands of thread which stretched from the top of the window frame to the bottom.

The web was made up concentric, many-angled lines in an almost-perfect geometric shape. When the web was completed, the spider retreated to the center and shrank into a disguise. She looked like a piece of dried leaf.

A moment later, a moth blundered into the web. The spider erupted from her camouflage and

raced across the web to the fluttering moth.

She had spun the web of tiny, almost-invisible threads, but now she grabbed the moth with her legs and started turning it around and around, wrapping it in a cocoon made of the web stuff, but this time instead of a tiny thread she used a ribbon of the material, almost a quarter of an inch wide.

In less time than it has taken to tell about it, the moth was smothered in the wrapping and the spider left it hanging there in the web.

She went back to her perch in the center of the web.

Two or three times each evening as we watch, the spider repeats the performance. What she does with the wrapped-up moths, we don't know, because they always are gone when we get up in the morning—and the web is gone too.

We know that the spider has some sort of home in a space between boards up under the eave, for we have seen her go in there.

But her activities are strictly nocturnal and we mortals operate on a different schedule, and so we know little about her except that we admire her ability to spin webs and catch moths.

We admire her so much, in fact, that occasionally we even miss a television program just at dusk to watch her. And once in a while, when we awaken in the middle of the night, we turn on the light outside and look out the window.

She's always there, although her web grows more ragged and tattered with each foray to trap a moth.

Some night, perhaps, when the troubles of the world make me sleepless, I shall pull an easy chair up to the window and spend my hours watching the drama instead of tossing about on my pillow.

And someday, perhaps, when I have learned all there is to know about such things, I will write about the large, brown, fuzzy-legged spider that made a living outside my window.

DOROTHY DIGS in the garden

I cannot over-stress, and you cannot over-value, the advantages of a CLEAN soil. Disinfecting the soil prior to, or just after planting, with the copper-ether product that is one of my favorites, prevents plants from having many ills.

At a recent meeting I attended, someone asked the speaker what to do for tomato wilt or blight and he told her to pull up the plants, but I could have told her that had she disinfected the soil at the time of planting those tomatoes, they probably wouldn't have gotten wilt or blight. By taking this simple precaution, you not only save the worry and effort of later treatment and spraying, but you save the PLANTS, and otherwise you're apt to lose them.

Before setting out little plants for late summer or fall blooms in your flower garden, disinfect the soil. It is a common-sense precaution.

More and more as the hot weather moves in, we have to contend with red spider. As I've said in previous columns, this growing infestation is due mainly to the destructive effects of some of the newer more poisonous sprays on the beneficial insects... the ones who have always preyed on spiders and mites and kept them under control.

You have now gotten into the season too far to risk using a lime-sulphur-oil emulsion on tender shrubbery or plants; therefore, I recommend that you use a product containing Kelthane. Whereas Kelthane does not have the long-lasting effect that an oil emulsion does, where spider is concerned, it does not kill any of your beneficial predators and it has been one of the finest of the new controls we've found for a quick kill on red spider and mites.

Use Kelthane with perfect safety on practically anything in your garden... except avocados. Spray as often as seems necessary but do not let red spider get out of control in your garden because a heavy infestation can be disastrous.

Anonymous Donation Aids Perception Probe

A \$2,000 anonymous grant is helping psychologists at San Diego State College study our accuracy in judging other people, according to Dr. Edward W. Goldreich, 2324 Berry Street, Lemon Grove, chairman of the psychology department.

Dr. Wayman J. Crow, assistant professor of psychology, is directing the Interpersonal Perception Project, made possible by the grant which was received during the 1958-59 academic year for research in social psychology. Funds are being administered by the San Diego State College Foundation and will be used over a two-year period.

Crow is being assisted in his research by psychology majors Eleanor Stewart and Larry Brittain.

Explaining the project, Crow said, "We all know people who can't put themselves in the other fellow's shoes, who lack insight into others, who can't 'take a hint.' We know others who quickly sense our moods and feelings, who seem to know what we are trying to say when we ourselves can't find the right words to express it.

"Psychologists believe that this ability to make accurate judgments about other people is important for happy and successful living. It is particularly important for those whose jobs require working with other people. The doctor, the teacher, the supervisor, the foreman — all have to know what is on the other fellow's mind."

He said psychologists need to create tests of this ability in order to identify those who are exceptionally talented and guide them into occupations where their ability is developed so that they can improve training programs in human relations, he added.

"The \$2,000 grant is being used to support basic studies of this ability — an ability psychologists call interpersonal perceptiveness," Crow said.

Goldreich stated that this is the first such grant San Diego State has had in the field of so-

cial psychology. "The work is part of a continuing research program by Dr. Crow," he said, adding "Research in the area of social psychology needs more support of this kind."

Crow is a former faculty member at the University of Colorado, where he earned a Ph.D. in psychology. He is the author and co-author of several papers and articles on interpersonal perception, and a book by Crow, reporting the results of a five-year study of medical education, will be published by the Harvard Press in fall, 1959.

Carelessness, Chemicals Do Not Mix

Carelessness and chemicals do not mix. In today's chemical world, there are some very good and effective chemicals for agriculture and home owners to use when growing plants. All pesticides, fungicides and weed killers are made to kill living organisms and should be highly respected, warns Seward Besemer, University of California farm advisor in San Diego county.

The number one rule for using any chemical is to READ THE LABEL. If the label directs workers to use goggles, a respirator or to have the body completely covered — do it. Use only the amounts recommended and apply only as directed by the manufacturer.

Keep any chemical in the original container and the labels intact. If any old label becomes worn, replace with a new one. Be careful of how left-over and old chemicals are disposed. Keep any chemical away from children.

To be safe, regard any agricultural chemical as a dangerous poison. If a label does not give clear precise directions and precautions, do not buy the product.

New Building To Go Up At 7562 Broadway

Construction of a commercial building at 7562-64-66-68 Broadway will get underway this week it was announced by Dan Thren local realtor. The site is adjacent George Casteel's real estate office.

Thren said the building is being built for the Broadway Development Company of which Paul B. Hunter is president. Hunter is associated with Thren in the real estate business. Thren is secretary-treasurer of the corporation.

The building will be rambling ranch house style with a 7-foot porch running across the 60-foot width. The building will be on two levels. A 60x60 full basement, completely plastered and equipped with fluorescent lights and will be rented as a single unit. Three stores will be at street level.

The project will represent a \$100,000 investment, Thren said. The building will be completed in 60 to 90 days.

Avocado Growers Tour Riverside Experiment Station

One hundred San Diego County avocado growers participated in an all-day tour held at the Citrus Experiment Station, Riverside, sponsored by the local University of California farm advisor's office. According to Farm Advisor Don Gustafson, this tour is held each year for the purpose of acquainting growers with latest research work on avocados, to give them an opportunity to meet and talk with research personnel, to permit growers from different sections of the county to become better acquainted, and to afford them a chance to view first-hand the Station facilities and projects.

This year's program included discussion on insects and parasites, fertilization, minor-element deficiencies, salinity, irrigation, root rot, sun blotch and plant breeding.

C de O Baptist Tour New Church Under Construction

The regular Sunday School staff meeting of the Casa de Oro Baptist Church was held June 28, with a tour of the new church building, now under construction on Madrid Way. Purpose of the tour was to acquaint the teachers and departmental superintendents with the Sunday School facilities. Progress continues to be made on the building.

The Girls' Missionary Guild of the church will have an all-day outing Thursday of this week at the church, along with their counselors.

The Vacation Bible School staff held its first meeting June 23 to make further plans for the VBS, which will be held August 3-7, from 9 to 11:30 a.m. This year's theme will be "Riding the Range for Christ." All children, kindergarten through junior high ages, are to be invited.

Hospital Auxiliary Class Dates Moved Ahead Three Weeks

New classes of candidates for the Grossmont Hospital Women's Auxiliary will be indoctrinated July 9 and 16. Mrs. L. L. Lois, indoctrination chairman, will greet new members. Classes previously set for July 20 and 27 have been cancelled.

Louis Peelyon, hospital administrator, and Mrs. Von N. Marshall, auxiliary president, will explain procedures and policies. Mrs. L. F. Anderson, hospital aides chairman, will discuss hospital services.

No other classes will be held until September according to Mrs. Louis.

NEW OFFICERS

Burke Ormsby, 2618 Sheri Lane, Lemon Grove, has been elected secretary of the San Diego Family Service board of directors. Other officers elected at the first meeting of the board are Edward N. Yates, Pacific Beach Junior High School principal, president, and Mrs. Harold B. Williams, San Diego, first vice president. Retiring president is Harold J. Logan of El Cajon.

Candlelight Ceremony Unites Local Couple

Lemon Grove Methodist Church was the setting Friday evening, June 19 for the candlelight ceremony in which Miss Barbara Jean Beasley exchanged wedding vows with Thomas Dwaine Shafer.

Miss Beasley is the daughter of Mrs. Frances W. Carlisle of 1500 Skyline Dr. Mr. Shafer is the son of Mr. and Mrs. Thomas Shafer of 7535 Pacific.

The ceremony was performed by the Rev. Donald B. Cooke.

The bride's full-length gown of peau de soie and imported Alencon lace was fashioned with a sweetheart neckline and Watteau back and her shoulder-length veil fell from a crown of pearls and sequins.

Mrs. Thomas Louis Faucher of Lemon Grove was matron of honor. Bridesmaids were Mrs. Robert Guthaus, sister of the bridegroom, and Miss Celeste

Carlisle, sister of the bride, both of Lemon Grove.

George Edward Shafer was best man and the ushers were Robert Shafer and Robert Guthaus. A reception was held in the church lounge.

After a short honeymoon the couple will reside in El Cajon.

Bradleys Visit In Lemon Grove

Mrs. Virginia Bradley and her three children were visitors in Lemon Grove this week, as they came from Arkansas to meet Chief Commissary Mate Charley L. Bradley whose ship, the USS Bradford, docked in San Diego.

The Bradleys are former residents of Lemon Grove. With their mother were Charles, 8, Jeb, 7, and Marilyn, 1½.

Cajon de Oro Picnic Set For Sunday

Everyone is reminded that the Cajon de Oro Little League picnic is Sunday, at Picnic Lake Park, Potrero.

Following are scores for the past week:

In the majors — June 23 — Colts 19, Bears 2. Winning pitcher, Peterson.

June 24 — Cougars 5, Elks 1. Winning pitcher, Barry Gray, who also slammed out a home run. The Elks made a double play: a shoestring catch by Johnson in center field, who then threw to Clark at short, who tagged the man running to second.

June 25 — Tigers 10, Colts 6. Winning pitcher, Smale. There were two home runs by the Tigers, Peters and Raines.

In the first game of a double header on June 27, it was Bears 5, Cougars 4. Winning pitcher, J. Cobb.

Letters To The Editor

Editor:

Just received my copy of your paper and got the shock of my life. Of course it couldn't be true. But there it was in bold print. "Two Supervisors Kill Plan to Raise Their Own Pay."

If this is true, these men deserve a medal of honor or some such recognition. But of course there must be a "slip up" somewhere. It might have been possible for such a thing to happen 50 years ago but not in this age of grab and more grab, and always at the taxpayers' expense.

B. Garrett
6905 Central Ave.
Lemon Grove

Dear Editor:

Your paper has been a great aid to me this past year, and I would like to suggest the remedy to other newcomers. I came here from Pennsylvania, and had a difficult time taking an interest in a new and strange community. When I accepted the duty of publicity chairman for the Lemon Grove Jr. High School PTA, it was a necessity that I take the local papers. I forced myself to read all the news, and now look forward, eagerly to the Thursday editions. Through your aid and cooperation, our PTA received a gold ribbon award for the publicity book this year. It was only through your aid that this was possible. We thank you for an interesting community paper.

Respectfully yours,
Mrs. Bruce L. Kerns

La Mesa, Calif.

LOCAL MAN HONORED

Lawrence F. Vlach of 3282 Kempf St., Lemon Grove, auditor of San Diego Trust and Savings Bank, has been installed as president of the San Diego Conference of the National Association of Bank Auditors and Controllers.

Newsboy Finds Man Unconscious In SV Ditch

Harvey C. Russ, 33, 1970 Avon Lane, Spring Valley, was hospitalized last week when the Jeep he was driving went into a sewage ditch being dug on Helix Street, near his home.

Russ, owner of National City Sheet Metal Company, failed to negotiate the roadway narrowed by the ditch as he returned home from work at midnight Thursday. He was pinned, unconscious, fifteen feet below the surface until 4:30 a.m. when David Eugene Szuch, 2356 Highview Lane, Spring Valley, saw the wreck. David ran for help and the Highway Patrol responded. Russ apparently sustained no broken bones but suffered contusions and bruises. He was taken to Mercy Hospital and was released for home care Sunday.

The ditch is part of an addition to the Spring Valley Sanitation District. The Jeep is a complete loss.

David Szuch, son of Mr. and Mrs. Louis Szuch, is a carrier boy for the San Diego Union newspaper. He is a Mt. Miguel student.

CUBS

Last week Cubmaster Roy Cones, assistant Cubmasters Pete Wolf and Bill Bates, and committeeman Kenny Harmon took 16 boys from Pack 325 fishing at El Capitan reservoir.

The first fish was caught by Kenny Burke, who also caught 11 fish which was the record. Gary Cones, Larry Harman, Roy Harmon and Greg Gardner all placed second with nine each. Gordy Robinson caught the smallest fish and Danny and Billy Kirkman got the booby prizes for catching the least number. Assistant Cubmaster Pete Wolf caught five catfish. Cubmaster Roy Cones amused those attending by kicking his line and continually catching fish.

A total of 94 fish were caught.

PACK 329

Extensive plans for their summer program were made by Cub Pack 329 and officers at their June 22 meeting. One of the highlights of the program will be a father-son outing July 11, at Burnt Ranch, in the Laguna Mountains.

The newly formed "Little Indians," the dancing group of the pack, displayed their talents when they danced alongside the famous Explorer Post 900 Indian dancers at the recent Scout Fair.

The pack will go wholeheartedly into the summer's swimming program which will be at the Jack Leazy pool on Helix Street. This will be in conjunction with this summer's Red Cross swimming program.

A new publication, telling of the activities of Pack 329, will make its appearance soon and will be edited by Mrs. Donald James, wife of the pack's public relation chairman. The pamphlet will be mailed to all Cubs of Pack 329.

Meetings during the summer are to be held at Goodland Acres, on Troy Street, across from Spring Valley Fire Station Number One.

At the beginning of the fall school term, the pack will be taught Indian craft and lore.

PACK 47

Cubs of Pack 47 have been recognized around the county as "good salesmen," having been tops in the recent sale of tickets for the Scout Fair.

First place in sales for Pack 47 was Billy Murphy, who sold 360 tickets; second place was Mike Bauer, selling 100 tickets; third place went to Jim Bauer, selling 53 tickets; fourth place to Russell Oliver, selling 40 tickets; fifth place to G. Baronoski, selling 31 tickets; and sixth place to Mike Sykes, selling 30 tickets.

For their efforts, 38 boys received neckerchief slides; 14 received radios; six received neckerchief slides and radios; and 30 received neckerchief slides and segments (segments to boys working in booths).

Recently a special presentation of a 15-year-veteran Pack Charter was made by institutional representative J. C. Danner to

U.S. Treasury to every child of six to seventeen to equalize educational funds provided by state and community. "New York spends \$535 a year for each child enrolled in public schools," says Bow. "Georgia spends \$208." Under this wacky proposal New York could spend \$560 and Georgia \$233 per pupil.

"Where," asks Mr. Bow, "is the equalization in that proposal?"

Equally incomprehensible is a bill introduced by Senator Hubert Humphrey that would revive the redolent Civilian Conservation Corps of New Deal Days. The excuse this time, is not depression, but juvenile delinquency, to take 150,000 young men off the streets and give them joyful, health-giving work in the great outdoors. He would call it Youth Conservation Corps this time.

We hope our less-Liberal representatives in Congress will resist such typically Russian concept of mobilizing youth and molding them into faceless minions of the State. Such propositions are devices by which we would be buying our chains with our own tax money.

Hollywood Highlights

By Bob Turnbull

"Don't Give Up The Ship," is zany Jerry Lewis at his best! This Hal Wallis' production for Paramount is awash with belly laughs thanks to several clever sight gags.

Directed by Norman Taurog, it stars, of course, Lewis, who is a Navy lieutenant; Dina Merrill, his blushing bride; Mickey Shaughnessy, a punchy wrestler; Diana Spencer, a gorgeous but believable member of Navy Intelligence; and Gale Gordon, as a blundering Congressman.

The object of this column is to briefly acquaint the public with films soon to play in this area. Their casts, plots and family ratings. We praise the good ones! We scorn the bad ones! It's that simple.

Two such films we feel very poorly done and in bad taste are "Gigantis, The Fire Monster," Toho productions for Warner Brothers, and "The Man Who Could Cheat Death," Hammer productions for Paramount.

Their premises are trite, overdone and in general, boring.

Although a low-budget B movie, "Here Come The Jets" should capture the public's eye far more than half the supposed A flicks.

Richard Einfeld, producer, and Gene Fowler Jr., director, have released their Associated Producers production through 20th Century Fox. It stars Steve Brodie, Lyn Thomas, Mark Dana, John Doucette, Jean Carson and Carleton Young.

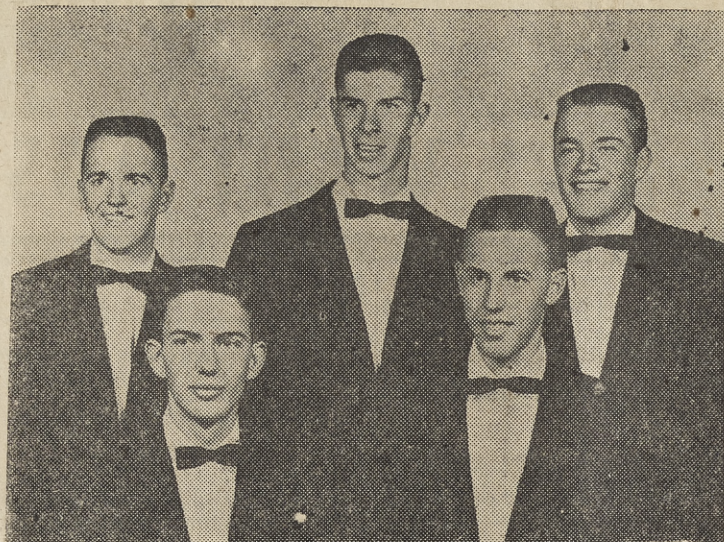

"Jets" contains plenty of stock footage of jet combat and the final testing of a Boeing 707 jet transport. Many suspense scenes fill the picture and are done well.

Vegas Nighties ... The Flamingo night-club in Las Vegas now features Peggy Lee and Jack Carter. Both smash hits. Said club is also catering to family entertainment with most shows "cleaned up" compared to yesteryear. Peggy belts out old 'n' new tunes backed by Jack Cathcart's orchestra. Vivienne della Chiesa (what a handle) is the top attraction at Vegas' "Thunderbird." Singing in four languages this exotic feline easily captures her audience. Dancers Gail Ganley and Jack Parker add to the show.

Famed Quartet Scheduled For LG Church

The Ambassador Quartet

The Ambassador Quartet from Pacific Lutheran College, Tacoma, Washington, will appear here in sacred concert July 11. There will be no admission charge, but a free will offering will be taken. The public is invited.

Now on its eighth annual summer long tour, the quartet will sing in the Lemon Grove Lutheran Church, Skyline and Alton Drives at 8:00 p.m.

Included on the program will be arrangements of familiar hymns, church music classics and well known Spirituals.

The hymns will include "Praise to The Lord the Almighty," "O Day Full of Grace," "Behold The Host Arrayed in White," and "Now the Day Is Over."

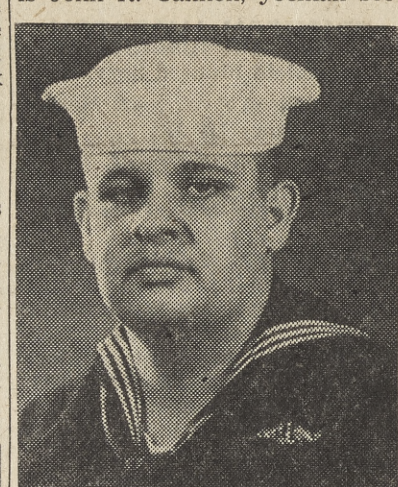

The six Spirituals slated to be sung here include "Soon-ah Will Be Done," "Nobody Knows the Trouble I've Seen," "Joshua Fit the Battle of Jericho," "Were You There?," "De Gospel Train" and "Swing Low, Sweet Chariot."

Powerful anthems to be presented include "Now Let Every Tongue Adore Thee," Bach; "Let Thy Holy Presence," Tchesnokoff; "Come Now Sweet Death," Bach; and "The Lord Is My Shepherd," Nelson.

David Dahl, senior music major from San Francisco, will be featured on the program in a group of organ solos. He will play

Store Officials Meet At Shopping Center Site

Fifty executives, department heads and buyers of Walker Scott Company, large San Diego department store, met Saturday for the first time in the new Walker Scott store building at College Grove Shopping Center in East San Diego.

According to Barry Knudson, vice president and general manager of Walker Scott, the meeting was the first formal planning session for opening of the building in mid-1960, and was held to familiarize key personnel with the new store.

Board Sets Budget of \$70,803,848

SAN DIEGO (CNS)—A record-breaking final budget of \$70,803,848 was officially approved by the County Board of Supervisors on Tuesday, the last day of the fiscal year.

The budget is some \$40,000 lower than the unofficial figure approved a week ago. It compares with last year's total of \$62,222,928. Biggest items of increase were \$1,400,000 for tax refunds on machinery in defense plants, \$1,300,000 for wage increases granted county employees, \$2,500,000 more required for welfare and \$1,500,000 in connection with expansion of court facilities.

The tax rate to take care of the increased budget will be set later in the summer, when assessed valuation tabulations are completed and when other revenues and the 1958-59 surplus are computed.

An increase of five to ten cents has been predicted over the present rate of \$1.95 per \$100 of assessed valuation.

Square Dance News ...

MERRY WHIRLERS

A large crowd was reported at the Merry Whirlers Friday evening dance at the La Mesa Junior High School. The club hosted the Boots and Bonnets and the Rainbow Squares.

President Skeets Gunn reminds everyone of the club's election of officers, to be held July 10, and also of the club's family picnic at Lindo Lake Park, Lakeside, on July 19.

COUNTRY COUSINS

The newly elected officers of the Country Cousins square dance club are, Jim and Ruth Eppick, president; Bill and Millie Gershon, Vice president; Dave and Aonia Davis, treasurer; Leighton and Mildred Snyder, publicity; Don and Evelyn Maureen, corresponding secretary; Ken and Ruth Higgins, recording secretary; Don and Donna Farmer, board member, and Dick and Alice Wrightson, Heartland Federation representative.

Dancing Saturday, July 4 at the La Mesa Junior High School with guest caller, popular Bion Henderson.

FRONTIER SQUARES

The new square dance class date and place have been decided on. The date is Monday nights starting July 13. The place is Audubon Elementary School, 8111 San Vicente. For those who don't know the area, it is in the Lomita Village district. The new time is 7:30-9:30. The caller is "Wild" Bill Keller. Registration will be open for three weeks. For any information call CO 4-4963.

There is no obligation to stay in the class, so come on and give it a try. Bring your friends with you and you will see why so many people are square dancing these days.

The regular second Saturday night dance will be held on July 11. Regular dances are held at Spring Valley Junior High off Campo Road. Workshop is 8:30 with dancing from 8:30-11.

PROMENADERS

Frank Dyson was club caller at the Promenaders dance June 24, in the Spring Valley Chamber of Commerce hall. Guest callers were Al Rider and Dell Lake. Host and hostess were Tex and Edith Lawhorn. Theme of decorations was "Picnic and Party Night."

Helix Lake Okayed For Recreation Area

SAN DIEGO (CNS)—A new lease with Helix Irrigation District for Helix Lake, La Mesa, was approved Tuesday by the County Board of Supervisors.

The County and the City of La Mesa, in the new lease, are to have the right to exercise up to August 31, 1960, the right for a long-term agreement to take over the lake as a county and city recreation area for all the south county.

In their option, the County and La Mesa agree to spend \$3,000 to keep water in the lake, to control weeds and rodents in the lake area and not to erect any buildings unless the district approves.

Woman's Club Names Committee Chairmen

Ratification of chairmen for the year 1959-60 was the main order of business when the Spring Valley Woman's Club met June 24. It was the last regular meeting for the current year.

Newly-elected president, Mrs. Gretta Mickelson, announced the appointment of the following chairmen: program, Mrs. Ruth Taylor; social, Mrs. Nel Austin; ways and means, Mrs. Reta Hulett; membership, Mrs. Hazel Clark; decorations, Mrs. Gertrude Cisco; telephone, Mrs. Lelah Venable; music, Mrs. Grace Harriss; hostess, Mrs. Dorothy Green; god cheer, Mrs. Blanche Denison; House, Mrs. Emma Butch; Parliamentary, Mrs. Jean Eskridge; citizenship, Mrs. Frances Peters; historian, Mrs. Tommy Evans; photographer, Mrs. Melba Danner; secret pals, Mrs. Marie Decker; flag, Mrs. Lucille Ressa; card parties, Mrs. Mary Clark; chamber of commerce, Mrs. Beulah Moyer; CAC, Mrs. Rosalie Graham; and welfare,

Mrs. Lois Duncan.

Plans for the "Come-as-you-are" breakfast, sometime this summer, and the annual bazaar in November, are well underway.

The regular monthly card parties will continue on the first Wednesday of each month in the SV Chamber of Commerce hall, 9050 Memory Ln., starting at 1 p.m. The donation is 50 cents a corner, with everyone invited, says Mrs. Gretta Mickelson, president. For those non-card players, a new feature has been added—the "gossip table." Refreshments are provided.

Shutouts Spark Pony League's Schedule

The Lemon Grove-Spring Valley Pony League played some outstanding baseball this past week, with a couple of shutouts, some near shutouts, and other exciting plays not to mention a called game. Following are the week's scores:

June 22 — Cochran's Record Den 3, Lemon Grove Sporting Goods 1. Winning pitcher, Luitzen, who gave up just one hit in three and a third innings of pitching. The other Cochran's pitcher, Funk, gave up just two hits in three and two-third innings. Van Dyke of the Sporting Goods team, pitched a good game with just four hits in seven innings. There were two home runs by the Cochran team, one by Funk and the other by Johnson.

June 23 — Lemon Grove Merchants 8, Greenwood Park 2. Winning pitcher, Sweeney.

June 24 — Spring Valley Fire Dept. 5, Lemon Grove Optimists 1. There was a good shoestring catch by Papike of the Fire Dept. team, playing in center field. The Optimists threw out two runners heading for home in one inning. Pitcher Davis of the Fire Dept. doubled with the bases loaded to bring in three runs.

June 25 — Spring Valley Sporting Goods 5, Greenwood Park 1. Winning pitcher, James, who struck out 16 men. There was a home run by Cole of the S. V. team.

June 26 — Cochran's Record Den 11, Lemon Grove Merchants 0. Winning pitcher was Thernberg, who was credited with a no hitter until the seventh inning, when the Merchants player Anderson got on by virtue of a hit.

June 27 — in the first game of a double header, it was Greenwood Park 7, Valley Pharmacy 5. Winning pitcher, Carroll. There were two home runs: one by Mitchell of the Greenwood team and the other by Byren of the Pharmacy boys. Loveland of the Pharmacy team got two doubles and a single.

In the second game, it was Lemon Grove Sporting Goods 6, Lemon Grove Optimists 5. Win-

ning pitcher, Van Dyke. This was the first extra inning game of the season. The Optimists tied the game up in the first of the seventh inning, knocking in two runs. Then in the last of the eighth the Optimist pitcher walked two men. Then Sporting Goods pitcher Van Dyke came to the plate and knocked out a single which brought in the winning run. Stevens of the Sporting Goods got four hits.

June 28 — in the first game of a double header, it was Spring Valley Sporting Goods 25, Lemon Grove Merchants 8. Winning pitcher, Ozaki. There was a home run by Clark of the Spring Valley team. The game was called in the sixth inning because of the 15 run lead rule.

In the second game, it was Spring Valley Fire Dept. 7, Cochran's Record Den 0. Winning pitcher, Paul Tuomainen, who allowed only three hits. There was a grand slam home run by Blount. Then Blount came up again and slammed out one that should have been another home run, but Van Benythyson, playing center field for Cochran's, reached up and snagged the ball, just as it was going over the fence.

Casa de Oro Zone Changes Requested

SAN DIEGO (CNS) — Two requests for zone changes in the Casa de Oro area were made Friday to the County Planning Commission. One was approved and the other was denied.

The application of J. B. Ramsey, speaking for a group of property owners with five acres on both sides of Barcelona Street, south of Buena Vista Drive, was the one turned down. A change from single family dwelling zoning to that for apartments was sought.

The application approved was made by A. B. Livingston, who asked for commercial zoning for 4.5 acres on the north side of Campo Road, near Conrad Drive. The approval was granted to become effective upon the filing of a map showing plans for developing the land.

Ramsey's application was turned down after the commission heard protests from other property owners in the area. In addition, petitions with the signatures of 100 who opposed the rezoning were filed with the commission.

Mrs. Anne J. Constance said apartment houses would do away with the country living of the area and would create traffic dangerous for children living in the community.

Other opposition speakers were Mrs. C. R. Norris, Mrs. A. Mitchell and E. Fisher. Ramsey spoke for the zone change, saying it would result in dwellings that would add to the property values of the area. Those protesting disagreed, and the vote against the change was unanimous.

Commissioner Gilbert Ray asked to be disqualified from participating as he is the owner of property in the area. He left the meeting while the discussion was in progress.

Senator Fisher Reports

By Senator Hugo Fisher

The 1959 session of the California Legislature came to a dramatic end in the wee hours of Saturday morning ten days ago.

The work during the session was trying, but it was an inspiring and rewarding experience and I am thankful that I was fortunate enough to take part in it. I was impressed by the amount of work done by the Legislators and the interest taken in Government by them and by a great

number of citizens all over the state.

I want to thank all of the many individuals who took time out to write, wire or telephone me in regard to legislative matters. Knowing what "the folks back home" were thinking about the State Government, and knowing that they were sincerely concerned, assisted me in facing the day-to-day battles in the Legislature.

I consider this year's session as being a momentous one. The actions of this session of the Legis-

lature were of particular interest to San Diego County and the County will be the recipient of benefits due to several actions.

UCLJ

With the support of many San Diegans and Legislators, I was able to get Section 8.2 added to the budget which "reappropriates \$500,000 to the University of California for La Jolla campus land acquisition."

FEPC

The Legislature established a fair employment practices commission for the purpose of achieving equal opportunity for every resident of the State regardless of his race, religion or creed.

CROSS-FILING

This session saw the end of cross-filing and this move promises to assist in bringing about more responsible Government and cleaner elections in the State.

CONSUMER PROTECTION

The California consumer was given a lobbyist of his own when the Legislature established the office of the Consumer Counsel. This act was recognition that the consumer has gone too long in a time of rising prices without adequate representation before the Governmental bodies which are supposed to regulate rates and price-fixing.

SMOG, DOPE AND AID TO NEEDY

There is much more that has already been written into law. The State's first two major commitments in the battle against smog have been approved. New statutes dealing with narcotics control and highway safety are already on the books. We have taken action to help the needy disabled get better medical care.

BUDGET AND TAXES

Lead by a strong and determined Governor, the Legislature gave favorable consideration to a budget and tax program that will put California back in the black again.

We had some help from the improvement in economic conditions and tax receipts, but what we did for ourselves was far more important. The insurance receipts tax collections date was advanced into this fiscal year, bringing up \$55 million to help meet the anticipated deficit. Of other things too — saved more than \$5 million from the budget of the preceding Administration. The deficit was wiped out the hard way, but it was done.

Little League Enters Final Week of Play

The Lemon Grove Little League season has only one more week to run. From the way the games were played last week, observers say, it is expected that the finale will be a close one.

Movies of the boys in action during the season will be shown at a special meeting on July 6 at San Miguel School.

June 16 — Dodgers 0, Yankees 2. Winning pitcher, Taylor, with 13 strikeouts and a home run in the 6th.

June 17 — Tigers 4, Cubs 2. Winning pitcher, Percucci. Nelson of the Cubs and Kenworthy of the Tigers hit home runs.

June 18 — Braves 2, Indians 1. Winning pitcher, Chappell. Stout of the Indians hit a home run in the 4th to tie up the game, but Castaneda came back in the 6th with his fifth home run of the season to end the game.

June 20 — Tigers 10, Braves 3. Winning pitcher, Baggett, with 11 strikeouts. Indians 3, Yankees 0. Winning pitcher Kellison, with 1 strikeout and a home run.

June 23 — Indians 7, Cubs 3.

Mrs. Paul R. Fellows and Mrs. Ted Arrington (from left) took office last week as directors of the Women's Committee of the Grossmont Community Concert Association. Mrs. Fred I. Ward, right, is community chairman of the committee.

Community Concert Assn. Group Holds Luncheon

Mrs. Fred I. Ward, Lemon Grove community chairman of the Women's Committee of the Grossmont Community Concert Association, joined other chairmen and area officers of the group in an anniversary luncheon on Wednesday at noon at the Singing Hills Country Club.

Mrs. James P. Stewart was installed president of the committee. Honored guests were Captain H. E. LeBaron, USNR (Ret.) and Mrs. LeBaron and Lt. Col. Francis E. Resta, USA (Ret.), and Mrs. Resta. LeBaron is founder of the Women's Committee, with Mrs. Gilbert Harelson, and Resta is new president of the parent concert association.

Prospective members of the Women's Committee also attended the celebration which included a summertime theme in decor, program, door prizes, and attire. Laura Ferlazzo Houle, soprano, sang Gershwin's "Summertime" and operatic numbers during program which included piano duets by Mmes. William Starr and Dale Reeser.

Jeweled president's pins were exchanged by Mrs. Harelson, retiring president, and Mrs. Stewart during the installation ceremony, conducted by Mrs. Wendell Robley.

Other residents of the Lemon Grove-Spring Valley area taking office included Mmes. Paul Fellows, Ted Arrington, and Gordon Decker, directors.

The Women's Committee has grown to a membership of 236 since its founding late in 1957 with the purpose of enriching the foothills communities by promotion of greater interest and appreciation of the entire field of music and allied arts; support of the Grossmont Community Concert Association; and provision of opportunities for local artists and groups to appear in concert.

The events have been presented to the public without charge. The committee has financed these events by projects which have been cultural in importance, such as musicals in the homes, and tours of Laguna Beach Art Festival, Ramona Pageant at Hemet, and Huntington Museum and Art Gallery at San Marino.

Funeral services for George H. Jones, of 8634 Lamar St., Spring Valley, were held at Erickson-Anderson Mortuary, La Mesa, on Saturday morning. Rev. Kenneth Miller of La Mesa Methodist Church officiated. Entombment followed in Cypress View Mausoleum. Jones died in Villa View Hospital June 23.

Survivors are: his widow, Evelyn, and son, Albert of Spring Valley; a daughter, Mrs. Beverly Rumbaugh of San Diego; and a brother, Ivan of Fresno, Calif.

Hegland Reports

By Sheridan Hegland
Member, California Legislature

This is a report to my employers, those who live in and pay taxes in, the 77th Assembly District, including the area from National City to Oceanside and Fallbrook. The report deals with my legislative activities during the 1959 General Session.

EDUCATION

AB 10, awaiting the governor's signature, is the first gifted child bill to pass the State Legislature. It provides that the top 5 percent of high school seniors, if they attend a minimum high school day, may attend for credit one or two junior college classes. Estimates are that 2,000 students statewide will participate in the program. It will permit enriched education, adjustment to college, and those taking part will find it possible to graduate from college or university in 3½ years. In long-range significance I consider it as important as the Hegland Scholarship Act of 1955, under which, this year, about 2,500 students are receiving scholarships to the college or university of their choice.

My AB 368, considered by the California Association of School Boards as its top legislative item, will permit school boards in litigation to employ their own attorney rather than using the services of the county counsel. It awaits signature.

My AB 1101, sponsored by the State Department of Education, will permit California high schools, both public and private, to participate more effectively in the Eisenhower Testing Program. Tests will be administered, probably at the 10th and 12th-grade levels, to discover gifted students so that they can be counseled properly. It has been signed by the governor.

TAXES

My AB 1514, sponsored by the Junior College Association and by the A.A.U.W., now awaits the governor's signature. It removes double taxation during the first year in newly-formed junior college districts and will reduce cost of operation in these districts by approximately half. It was strongly supported by the Grossmont School Board.

The governor has signed into law my bill sponsored by the San Diego County Board of Supervisors which will eliminate retroactive tax exemptions for public agencies. Chief culprit has been the Federal Government, which, when it acquires property, has been prone to refuse to honor taxes due. In San Diego County, where so much of our land is owned by the Federal Government, this is important and will increase tax revenues about \$1,500,000 annually statewide.

NO PENSIONS FOR FELONS
Four of my bills, sponsored by State Controller Cranston, now awaiting the governor's signature, will make it impossible for public officials convicted of felonies arising out of their official duties to collect pensions at the expense of taxpayers. These were the so-called "Bonelli Bills."

DIPLOMA MILL LEGISLATION
At a special session called by Governor Knight in 1958, I passed, with Knight's support, the Diploma Mill law which made sale, purchase or use of a phony diploma a felony. At the request of Attorney General Mosk this year I carried a bill, now awaiting the governor's signature, AB 96, which will permit undercover investigators to proceed swiftly against these white-collar racketeers by use of techniques similar to those used by narcotic agents. Degrees still being peddled include M.D., Ph.D., etc.

HEALTH LEGISLATION
Four of my bills, sponsored by the Association of District Hospitals, have been signed into law. They were presented to the Legislature by La Mesa attorney, Paul Engstrand, and will benefit district hospitals at Grossmont, Palomar, Fallbrook and the new Tri-City Hospital in Northern San Diego County, as well as other public hospitals.

My AB 1253, supported by the State Health Department, will protect owners of home freezers by requiring sides of beef and other quantity meat purchases to be quick-frozen before delivery. It awaits the governor's signature.

MISCELLANEOUS BILLS
Three bills signed into law were carried for the State Association of County Treasurers and presented to the Legislature by San Diego's Del Dickson. These bills will permit county treasurers to reduce unnecessary red tape, and cut expenses. Another bill which I carried for sportsmen's groups and which has been signed into law reduces the cost of duplicate fishing and hunting licenses to \$1.00. Previously, individuals who had lost their license were required to pay full cost.

Two bills, both signed, were

carried for my constituent, State Treasurer Bert Betts of Lemon Grove. By eliminating unnecessary bookkeeping, they will permit a substantial reduction in operating expense in this Department.

One of my bills, now signed into law, was carried for the Irrigation Districts Association and will facilitate the formation of new water districts.

Suggested by National City, another bill of mine permits city councils in general law cities, if they wish, to give a 5% preferential treatment to local bidders, a power councils in chartered cities already have. This National City bill, supported by the League of Cities, was carried for me by Senator Fisher before the State Senate. It was the last floor fight of the Session, and Fisher won it after a strong debate with Senator Richards (D-Los Angeles) just before the clock struck midnight on the last day.

REVISION OF EDUCATION CODE

The Joint Committee, of which I am Chairman, secured the adoption of a revised Education Code which will be ready for distribution in January. This Code eliminates obsolete and contradictory sections. In many sections we were able to use less technical language more readily understood by layman. Senator Dilworth (R-Hemet), Vice-Chairman was extremely helpful. The Revised Code is the first such revision in 18 years. It has been signed by the Governor.

CONSUMER BILLS

A joint resolution of mine, adopted overwhelmingly by both houses and signed by the governor, urges Agriculture Secretary Benson to remove the cloak of secrecy from the farm subsidy program. If this policy is adopted it is estimated there will be substantial savings to consumers all over the Nation. This resolution received warm support from the California Newspaper Publishers Association.

Supported by consumer groups is my AB 2374, which passed, requiring that publicly-owned public utilities give public notice and conduct a public hearing before raising electric rates.

OTHER ACTIVITIES

The report above deals exclusively with legislation I introduced and passed. There was another side to activities. Occasionally one finds a bill one thinks is bad. Introduced by Assemblyman Masterson (D-Contra Costa) was a proposed constitutional amendment which would reduce requirements for passage of general obligation bonds. Since 1871 the law has provided that general obligation bonds would require a 66 2/3% majority. The Masterson amendment would reduce that majority to 60%. I introduced and passed an amendment which restored the 66 2/3% requirement, whereupon Judge Masterson dropped his constitutional amendment.

I am delighted to report that, especially in the all-important field of water, there was a close and harmonious relationship between all five legislators of the County, the four Assemblymen and Senator Fisher. With successes, there are naturally failures. With other legislators we fought to restore funds to the budget for the California Cadet Corps. I am also disappointed that my bill to provide for an elected State Board of Education and my bill to permit research activities at state colleges, failed. Also failing were amendments introduced by Assemblyman Allen (R-Santa Clara) and me providing for an additional 5 percent salary increase for instructional staff at the university and at state colleges.

Balancing this latter disappointment was success in Assembly Ways and Means Committee by a 14 to 2 vote of my amendment to restore funds for acquisition of sites for the new University branch at La Jolla. The original resolution for this site I had introduced in 1955, when it was adopted.

SUMMARY
During the Session I introduced 78 measures. Of these, 58 reached the governor's desk, with a "batting average" of nearly 75 percent. Totally, by the 120 legislators, some 5,000 measures were introduced, and about 2,100 will be enacted into law.

Sacramento is super-charged, fast-moving, controversial and hard-working. Mrs. Hegland and I are glad to be back home in quiet La Mesa at our home on Randlett Drive.

LUCKY PENNY, FIRST FAIR ENTRANT—The winner might be a toss-up . . . but bright copper-haired Penny Jo Howay, 19, of Vacaville, is the first fair entrant in the Maid of California contest of the California State Fair and Exposition, scheduled September 2-13, at Sacramento. Representing Solano County, Penny shines at a well-rounded 34-23-35, weighs 125 and stands 5 feet 7 inches proud. Miss Howay will compete with 53 beauties from almost all of California's counties in the annual fair event. (9-6001)

Top Scholars Honored With Junior High Awards

Top scholars in the Lemon Grove Junior High graduating class were Joyce Lusk and Tom Langpap, according to awards made at the graduation ceremonies. The Lemon Grove Kiwanis awards, \$25 savings bonds, are presented each year to the boy and girl with the highest scholastic ratings.

Joyce, a straight "A" student, is the daughter of Mr. and Mrs. Truman D. Lusk, 7605 Lansing. She also was the winner of a \$50 scholarship for music achievements from the Lemon Grove Women's Club Juniors.

Tom, top "A" student among the boys, is the son of Mr. and Mrs. Vernon D. Langpap, 1534 Koe St., Lemon Grove. Both students maintained the highest records during their two years at the junior high and scored highest on the achievement tests administered by the high school district this spring.

Highest citizenship honors went to Joyce Burgreen and Martin Koenekamp. Both had perfect grades in citizenship during their junior high careers, ranked well

in scholarship, and demonstrated qualities of leadership. Joyce is the daughter of Mr. and Mrs. John Burgreen, 7125 Hoffman St., Vista La Mesa.

Martin is the son of Mr. and Mrs. Maurice Koenekamp, 3882 Carancho, Lemon Grove. He also boasts an exceptionally high scholastic record. The names of both citizenship award winners will be engraved on a permanent citizenship cup which bears the names of outstanding students from the class of 1947 through to 1949.

It is misery enough to have once been happy.—John Clarke.

Valley de Oro Women To Hold Bake Sale

The Valley de Oro Little League women's auxiliary will have a bake sale Friday of this week at Stan's Market in Casa de Oro and the Valley Farm Market at Bancroft and Campo Road. The sale will start at 9 a.m. and its purpose is to raise enough money to purchase trophies for the season.

There will be a general meeting of all parents on Monday at 7:30 p.m. in the Spring Valley Junior High School. Main orders of business will be election of officers for the coming year and the announcement of the all-star tournament members.

Mrs. Ev Looney, team mother of the Red Cap team, gave a picnic for her team last Saturday, in appreciation of their winning all their games so far this season. As an added feature she presented a birthday cake to manager Hank Bauer, it being his birthday on Sunday. The picnic was held in Eucalyptus Park following the game.

SCORES

Scores in the majors for the past week, were:

June 23 — Rams 7, Colts 0. Winning pitcher, Ronnie Thomas. June 24 — Cubs 7, Lions 5. Winning pitcher, Smith. The outstanding catches of the game were a hot grounder by D. Golden of the Lions and a liner by Munchus of the Cubs. Landrum of the Cubs got a home run with one man on to win the game.

June 25 — Dodgers 8, Yankees 4. Winning pitcher, Rudloff.

June 26 — Colts 10, Lions 5. Winning pitcher, Lucas. There was a home run by Ames of the Lions.

June 27 — in the first game of a double header, it was Rams 12, Yankees 3. Winning pitcher, Allen. Home run by Jennings of the Rams.

In the second game it was Dodgers 4, Cubs 3. Winning pitcher was Howerton, in an eight-inning game. There was a hot line drive caught in left field by Mike Rudloff of the Dodgers, which went a long way toward helping his team win.

MINORS

There were no minor scores reported for the week.

CAPS

There was only one Cap team game reported for the week: June 27—Red Caps 16, Blue

Caps 5. Winning pitcher, Wallace. There was a nice double play by the Blue Caps, Frenstra to Hansen.

Children's Theater Plans Friday Play

The Lemon Grove Children's Summer Theatre will present James S. Wallerstein's "The Cactus Wildcat" in two performances this Friday.

Curtain times, according to Eldon Taft, in charge of publicity, are 2 p.m. and 8 p.m. Both performances will be in the Lemon Grove Junior High School auditorium.

Two Firemen Take New Positions

Two Spring Valley firemen who recently made the rating of lieu-

tenant have been assigned to their new duties as of July 1. They are Howard Lawton and Daryl Stager.

There were two ambulance

runs for the department during the past week. On June 25, at 11:44 a.m., Mrs. W. C. Bryant of 3670 Saddle Dr., was taken to Paradise Valley Hospital, suf-

fering from either an asthma attack or heart condition. On June 30, Mrs. Jettie White of 3469 Helix was taken to County Hospital.

Two Tots Take Tablets, Trip To Hospital

Two children, Raymond, 4, and Terry, 3, sons of Mr. and Mrs. Keith Ogden, 3520 James Circle, Spring Valley, were taken to Grossmont Hospital Thursday night to have their stomachs pumped out, after swallowing several laxative tablets.

Mrs. Ogden said her husband brought home a box of the tablets. Mrs. Ogden was preparing supper at the time. She put the box on the sink. She turned from the sink to tend to the cooking and at that time the children saw the box, took it down and ate the tablets before Mrs. Ogden finished her chore. When she discovered what the children had done, she counted the remaining tablets and found the children had consumed 36 out of 48 tablets.

The children were returned home from the hospital and it was reported they were recovered Friday morning.

Two years ago, Raymond swallowed a dose of potent medicine and had to have his stomach pumped out.

About two weeks ago Mrs. Ogden and the two children went for a walk, and crossing a Spring Valley street were almost run over by a car. She said Friday morning that by the time the children grow up she'll "have gray hair."

Chamber Hears Fund Report

Restoration of the historic old adobe building in Spring Valley seems assured, Chamber of Commerce members heard Monday.

Mrs. Jean Eskridge, entertainment chairman for the Spring Valley Chamber of Commerce, reported that a recent dance recital had netted \$190 for the restoration fund.

The \$190, along with money in the fund, brings the amount to over \$600, which will help to restore the old adobe building on the grounds of the Chamber of Commerce.

Two years ago the building was accepted by the California Historical society as a landmark and given a number. Since then a plaque has been erected on the grounds telling of the building, which was built in 1856. The county has indicated it will erect directional signs on Bancroft Drive for the landmark. The State is also to erect signs on Campo Road for the same purpose.

The building committee of the C of C, as yet has not indicated when work will start on the building's restoration or how much it will cost. It was brought out several months ago that the work more than likely will be on a time and materials basis.

In other Chamber of Commerce business, a motion was passed to send letters to the La Mesa-Spring Valley and the Grossmont school districts, requesting that the Stars and Stripes fly over the school buildings during the time school is in session and on all legal holidays. The motion was the result of a recent observation by a chamber of commerce member, who said the flag was not flying over the schools on Memorial Day and National Flag Day.

Spring Valley Man Killed On Tractor

A Spring Valley man was killed last week when he was pinned in his bulldozer when it rolled down an embankment.

The man, Raymond Peterson, 41, of 8829 Greenview Pl., had been working for the San Diego Gas and Electric Co. on a job in Lawson Valley. He died of back and internal injuries after being taken to Mercy Hospital.

The accident occurred shortly after 1 p.m. on Friday. Peterson had been grading for installation of power poles. He was pinned between the track of the bulldozer and a hydraulic arm on the machine.

Welfare Society Sponsors Camping

The Spring Valley Welfare Society at its June meeting awarded two "Camperships" to Spring Valley Girl Scouts. The camperships allow the girls to attend a Girl Scout camp for two weeks, all expenses paid. This is an annual Welfare project.

The society also sponsors the Economy Shop at 3638 Bancroft Dr.

ART CLASSES

Two classes in art for children ranging from ages 9 to 14 will start July 6, on the campus of California Western University. Miss Belle Baranceanu, noted San Diego muralist and a Cal Western faculty member, will teach the classes. Registration can be made during the first class.

Rigged Court Finds Rotary Prexy 'Guilty'

The Lemon Grove Rotary Club "demoted" Mel Grant to the rank of past president Monday "for the good of Rotary" in a "trial," the likes of which has never been seen in jurisprudence.

A cast of Lemon Grove Rotarians, following somewhat a script authored by Charter Past President Harry Griffen, gave slightly perjured testimony which resulted in Grant's being found guilty on ten charges.

The trial was a well-mounted production with Municipal Court Judge Fenton Garfield presiding. He was the only "McCoy." Other participants included Past President Meyer Zung, attorney for the defense, who started out Perry Mason-like but the illusion quickly dissolved. Past President Harold Secor scored heavily as prosecuting attorney and Past President Dr. Harry Sorteberg was bailiff. Grant was brought into "court" in chains, and garbed in a convict's striped suit.

Most of the witnesses did not deny being paid for their testimony, these included Dan Thren, Dudley Griffen, Emily, the waitress, and Max Goodwin.

Grant is succeeded by Rolla Hamilton as president of the Lemon Grove Rotary Club for the year 1959-60.

Two Local Streets Designated Through Highways

SAN DIEGO (CNS) — Massachusetts and Madera avenues, Lemon Grove, hereafter are to be through highways, the County Board of Supervisors decided Tuesday.

Board action was taken on recommendation of the San Diego Traffic Committee, based on completion of the Massachusetts avenue railroad crossing onto Imperial Avenue.

Massachusetts is to be a through highway from San Miguel to Imperial Avenue, and Madera is to be a through highway from Massachusetts to the San Diego City limits.

The request for the change in the Lemon Grove highway control setup was made to Supervisors by Mrs. Florence Proub.

to visit any of the three convenient Southland Savings and Loan offices during the July 1st to 10th transfer period. Particular attention is called to the Lemon Grove branch now celebrating its opening. Of Modern Mediterranean design, the newest equipment available has been installed to serve you most efficiently. Large areas of free parking have been incorporated. As a member of the community, these new facilities and services belong to you.

YOU ARE INVITED

to consider placing your savings at Southland. You'll be glad you did because, due to Southland's method of computing interest, Southland savers actually earn more than \$4.50 per year on every \$100.00 saved . . . while enjoying the added protection of Southland's capital stock and surplus structure.
